PRINCIPAL'S MESSAGE

MR. ROBERT E. CHILDS

Man has been searching for happiness since time began. You, too, have begun the long journey in that direction. I am sure that you have come to realize that true happiness as far as man is concerned is impossible except as a gift from God.

In a poem by Robert Frost, he says:

> Two roads diverged in a wood, and
> I took the one less traveled by,
> And that has made all the difference.

Therefore, my students, let me point you in the right direction. It is a matter of choosing the right road. I urge you to go in the direction of contributing to life. Give of yourself to your fellowman, your community, your family, and most of all, your God. Sometimes ages hence, you will have satisfied the qualifications which God requires of a recipient of true happiness.

SUMMARY

Dr. Wylie Angell, widower and absent-minded college professor, must find a stepmother for his three wild "brats" before his fortieth birthday, or his uncle, Azarias Peabody, will disinherit him.

Immediately each "Angell brat" declares his favorite. Pat, Billy, and Dodo nominate the following respectively; Mrs. Venetia Van Arlen, Miss Winniw Oliphant, sometimes called "Miss Winnie Eliphant", and Miss Twila Twitchell.

Unattractive Ruth Alden, housekeeper, loves the doctor, but is out of the running.

How the would-be stepmothers are vanquished; how Ruth is transformed into loveliness; how Don, wins his girl in spite of rivalry; how Wylie gets a wife pleasing to all, formed a fun-filled rip-roaring farce enjoyed by all who saw this performance.

SUMMARY

Man! Men, women and children will go overboard for this new-as-tomorrow comedy. It's hot off the presses and we're predicting great things for it.

Maybe you think you have troubles but you should be in Miss Hannah Blair's shoes! She has exactly four troubles--named Flossie, Dotty, Katsy and Melanie. They're the liveliest, most fun-loving teen-agers found in any play. And to Miss Hannah's dismay - they like boys! Why, they'd probably even go to a dance with boys if asked! You see, Miss Hannah's not accustomed to young people and she's rather old-fashioned. So when she ends up as a chaperone to the girls during a vacation trip, there's bound to be boys around too, because the girls are pretty and full of life.

CLASS HISTORY

As we seniors look back over our colorful history at Graceville High School, we find that many interesting events took place during our twelve year stay here. Some were interesting, some embarrassing, some trying, some sad, some exciting, some happy, and some things just happened.

In the fall of 1951 our history began. Part of our history took place in Graceville while a small part in one sense and a big part in another sense took place down the road at Union. Out of the present seniors only fifteen began school here at GHS. Ten of the forty-five began school at Union. The fifteen who began at GHS were: Morris (Grandma) Collins, Brenda (Render) Creamer, Harold (Run-away) Davis, Susie (Q) Garner, Donahue (Big Hue) Johnson, Ronnie (Runt) Lunsford, Ronnie (Miller) Miller, Larry (Parish) Spears, Jeff (Bo Hooky) Williams Jr., Edward (Bo Didly) Yawn, Charlotte (Smiley) Cooper, Bobby (the Kink) Franklin, Rex (Debate) Kingry, Will (Squeench) McRae, and Bobby (Slim Casey) Williams. Our ten comrades who started at Union were: Glenda Sue Adams, Lynda Fay Balkcom, Sarah Nell Register, Annie Lois Sloan, Mary Sue Wiley, Dot Stewart, Truman Calloway, Don Jenkins, Linda Shouppe, and Brenda Faye Hammock. Their teacher was Mrs. June Enfinger. In the first grade our teachers, Mrs. Turner and Mrs. Riddle, told us not to go to the swampy wooded area below the school. These woods were located near the present little league baseball diamond. We were told if we did go to the woods we would pay the consequences. Naturally being young at the game of school, the first thing we did after finishing lunch was to head for the Woods to play cowboys. When our teachers found out our mischievous deeds, we were promptly brought in by some of the upperclassmen. For the next two weeks we stayed in at recess.

The next year we were considered second graders. Our teachers were Mrs. Mary E. Watford and Mrs. Campbell. The teacher at Union was Mrs. Ruby Dunn. This year many exciting events took place but the most thrilling of all took place when Mrs. Watford left the room to get a board to paddle Ronnie Lunsford. While she was gone Ronnie jumped out of the window and broke his collarbone. Herbert was the only addition to the class.

Next was the third grade. This year we were taught to multiply by our teachers, Mrs. Mildred Mixson and Mrs. Ruth Williams. The teachers at Union were Mrs. Glen Adams and Miss Lucille Prim. Robert Hinson and Homer Francis Kindig, Jr., considered us the coolest class in the school and waited around a year and joined us in the third grade. Brenda Creamer, being in on the tearing up of a homecoming float, got a paddling from Mr. Kitching after he ran her out from behind a pecan tree. This year we also had a very exciting May Day festivity.

In the fourth grade our teachers were Mrs. Ruth Williams and Mrs. Wesley Jenkins. The teacher at Union was Miss Lucille Prim. This year Royce Robbins, the old jeweler himself, was the one addition to our class. This year one section of our class produced the play entitled "The Voyage of the Mayflower." The Indians were wearing the latest Indian costumes, "dry-cleaning bags."

In the fall of '55 we began the fifth grade. Our teachers were Mrs. Fowler, Mrs. Kitching, and Mrs. Sheffield. The teacher at Union was Mrs. Sowell. This year Thomas Patterson and Brenda Faye Hammock joined us from Union. Wendel Parish, an export of Pensacola, joined our class also. This year Butch Kindig and Brenda Creamer had a vicious scissor fight in the back of the room.

Next was the sixth grade. Teaching us this year was Miss Mary V. Howell (Mrs. Pelham) and Mrs. Sheffield. The Union teacher was Mrs. Sowell. Linda Shouppe was the lone addition to our class this year. This year we all learned to play the "Tonette" under our favorite teacher, Mr. Saliba.

Next, we were promoted to junior high and the seventh grade. We were all very excited because we would have to change classes each period. Our home room teacher was Mr. Ellis. This year we made our first homecoming float, and it broke down before we got it in the parade. There were no new additions to our class this year. The teacher at Union was Mrs. Sowell. We went to the Recreation Center at the end of the year.

In the eighth grade our home room teachers were Mrs. Gerald Benson and Miss Wallace. This year we were honored by four additions to the class. They were Sylvia Davis, Judy Ware, Ronnel Pippin, and Marlin Register. The boys were excited because they went out for football for the first time. We were very proud of the fact that our boys under the direction of Coach David Ellis won the Junior Team County Tournament for the first time. They had an outstanding record of 22 wins and 2 losses. Also one of the exciting events which took place this year was a boys' fashion show. We went to Porter's Fairyland for our picnic at the end of the year.

The next year we were in the Ninth Grade and were given the title of Freshmen. This year we were especially honored by the addition of the eighth graduates from Union. They were Glenda Sue Adams, Lynda Fay Balkcom, Truman Calloway, Don Jenkins, Sarah Nell Register, Annie Lois Sloan, Dot Stewart, and Mary Sue Wiley. Also joining our class from Slocomb, Alabama, was Sammy Bailey. This year we took a trip to Chattahoochee to the Jim Woodruff Dam and the Schultz Steam Power Plant. We had a very enjoyable picnic while we were gone, but many things happened as a result of this trip. This year the American Legion Awards were presented to Glenda Sue Adams and Bobby Williams. At the end of the year we went to Porter's Fairyland in Dothan for our class picnic. Our home room teachers were Mrs. Mary Clyde Mixson and Mrs. Gladys Williams.

The next year we were Tenth Graders and were classified as Sophomores. Our home room teachers were Miss Gilbert and Mrs. Jennett. Bettina Herring, Bob Bartlow, and Don Unger joined our class this year. During this year we built a very beautiful homecoming float but didn't win first place because the wind blew away a lot of the napkins. At the end of the year we took the Seniors to the beach for a party.

The next year was the busiest of all. We were in the Eleventh Grade and called Juniors. Our sponsors were Miss Gilbert and Mrs. Billy Franklin. The main activity of the year was entertaining the seniors with the Junior-Senior Banquet. The theme of the banquet was "Mardi Gras." We had the annual magazine sale this year and were proud of the fact that we outsold the class before us. During the year we presented a play entitled "Wedding Spells," directed by Mrs. Billy Franklin. Also during the year we were thrilled about receiving our class rings. At homecoming we won the most beautiful float and finally beat the Seniors that year who had won it five years in a row. Melba Bennett joined the class. At the end of the year we went on a class picnic to the beach. Butch Kindig and Jeff Williams were announced as the representatives to Boys' State, and Glenda Sue Adams was selected as Girls' State Representative.

And now finally we have reached the 12th grade. In this, our last year in school, we were classified as Seniors. Mrs. Watford and Mrs. Williams were our sponsors. Everyone was excited about the fact that we would get to march down the aisle at all the assemblies. To start the year off, we sponsored the Miss Graceville Contest which was won by Charlotte Cooper who went on to win the title of Miss Congeniality at the Peanut Festival. During this, our senior year, GHS became Southern Accredited. We won the most original float this year, and received honorable mention on a skit entitled "Graceville-Heights Hillbillies." Charlotte Cooper was selected as one of the five finalists in the state in "Miss Smile" contest. Jeff Williams passed the 1,000 point mark in his basketball career. Bobby Williams and Wendel Parish won a teaching scholarship. Dot Stewart was selected as the DAR Good Citizenship Girl. Sylvia Davis was crowned Miss GHS and Homecoming Queen. New members to the class were Sylvia Williams, Brenda Watts, Lethy Scruggs, and Benny Nielsen. We presented a very unusual play entitled "Man Overboard," directed by Mrs. Watford and Mrs. Collins. Glenda Sue Adams and Lynda Balkcom were selected as Valedictorians, and Donahue Johnson was selected the Salutatorian. But the biggest event of all was publishing this, THE '63 TIGER'S TALE.

PROPHECY

Outer Afghanistan
June 13, 1981

Dear Readers:

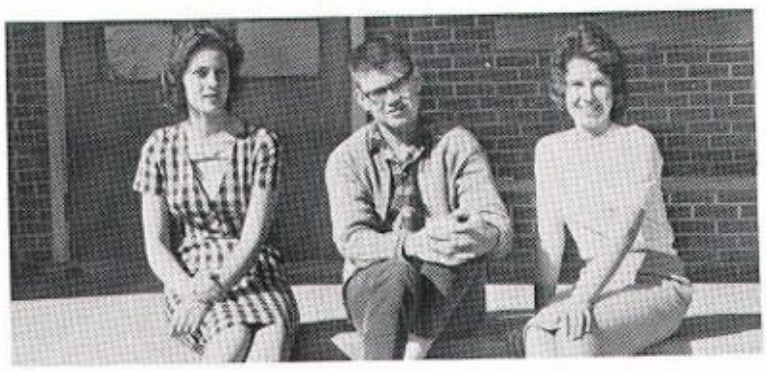
This being my last edition, I checked up on all my classmates and found some astonishing facts proving I'm not the only member of the '62-'63 class having my ups and downs. Yes, the "Collins Gazette" is defunct. For example, one of the most brilliant boys in my class, Bobby Williams, flunked out of college and is now the head of Graceville's brand new red and blue garbage truck. He always wanted to be a trucker.

My old pal Donahue Johnson, always set on playing baseball, somehow became disinterested and now is the most publicized bachelor playboy in New York City - known by all the society girls as Big Hue Baby.

Jeff Williams, a sure bet to be a success, wanted to be a dentist in our high school days. He came close but didn't quite make it - he's now the head dental assistant at Dr. Gray's office. The coaching field always attracted Butch Kindig and Ronnie Lunsford. Head coach at Auburn was Butch's ambition, and Ronnie would be happy as his assistant. Well, they're not head and assistant coaches at Auburn, but they are coaches. Well, I guess they've settled for a good second best - the Wausau Lions.

Charlotte Cooper always wanted to be a musical entertainer - and she is - She appears nightly in a song and dance routine at the Little Stag. Tina Herring always liked to cut hair - she's now a sheep shearer for Lamb Chop Animated. Sylvia Davis who always wanted to teach school has replaced Mr. Wooley as head of the vocational ag. department.

Herbert Miles who harbored military ambitions is troop master for Graceville's Brownie Troop A. Wendell Parish made a chiropractor alright, but his only patient is dear Old Herbie. Robert Hinson always wanted to be a buyer for a meat packer - instead he does the packing.



Glenda Sue Adams always wanted to be a nurse - and she is - at Dr. Hart's office. She replaced Wanda Bonner who is on the sick list. She was bitten by a mad cow. Lynda Balkcom wanted to be a home economist - I guess she has to economize at home with fifteen children!

Will McRae is working in Africa with Dr. Schweitzer - he plays the organ between surgery. Sammy Bailey with ambition in the field of economy is stranded in a field of corn - ain't that corny? Marlin Register didn't last long as a state food inspector - seems he took his job literally - he's in the hospital with ptomaine poisoning.

Brenda Creamer, with dreams of becoming a medical technologist, is typing labels for medicine sold at Cash Drug Store.

Brenda Hammock is her assistant - she licks the labels. Sylvia Williams gave up commercial art to become a tatooist.

Rex Kingry, who wanted to be an Industrial Architect, now designs chicken houses for T and B chicken industry - owned by two of my former classmates - Thomas Patterson and Bobby Franklin. As soon as they get enough money they'll build the houses Rex designed and also buy a few chickens.

Mary Sue Wiley wanted to be and is an interpreter at the U.N. She's in the rest room section and is interpreting the "Ladies" and "Gents" signs for the Russian Delegates. Linda Shouppe, her secretary, takes dictation of those who fail to understand Mary Sue's interpreting - for military reasons only. Brenda Lee Watts made a nurse and also is stationed at the rest room section. She's stocked with plenty of ammonia for the ones who make the fatal mistake.

Ronnie Miller, who wanted to play professional basketball, is happy but not satisfied with his water boy job for the Boston Celtics. Larry Spears wanted to be a pharmacist but didn't quite make it. He holds the title of the best soda jerk Service Drug Store has ever had. To be a pilot was Don Unger's most cherished dream. He's now employed with a South Florida Carnival. He runs the airplanes for the kiddies.

Sarah Nell Register was fired as a stewardess by National Airlines. She must have taken a nap - or she got caught in the pilot's lap. Being a college professor was Dot Stewart's idea of a successful life. She's a professor but not of a college - she teaches at Graceville Kindergarten. Melba Bennett found love before she finished nursing school, but she found the old saying to be true - "Marriage is like putting your foot in a hot tub of water - Once you get used to it, it ain't so hot."

Eddie Yawn was denistry bound like Jeff - but was derailed into show business. He's a stage hand on the Ed Sullivan Show. Ronnel Pippin was enchanted by fast racing cars and was determined to become a race car driver. He does drive cars - he's a parking lot attendant at the Chipola Hotel. Royice Robbins was a F.B.I. man at heart and was sincere in his pursuit- too bad he had to settle for chief of police at Two Egg.

Judy Ware, not sure of what she wanted to be, headed to the job center in Montgomery in quest of opportunity. She didn't get a job, but she did get a free hot dog and Pepsi Cola. Susie Garner got her wish - she's an unhappy housewife with five children. Lethy Scruggs, a kindergarten teacher to be, made her dream come true. Now she finds her dreams turning into nightmares. Annie Lois Sloan wanted to be a hair stylist - and she is - she takes Tina's wool and makes men toupees for Be Bald No More Incorporated.

Don Jenkins, who wanted to be an ag. teacher, ended up as a two-acre farmer. Truman Callaway desired the soil conservation field. He made the field, that is his field, he's a three-acre farmer. Benny Neilson wanted to be a Commercial Artist but gave up the idea and now is the head grease monkey at Phillipp Pure Oil Station. By the way he runs the Show on Saturdays. Last, but certainly not the least, Bob Bartlow, wanted to be an efficiency expert. As his first job he took on the job as janitor at G.H.S.

I must say I feel a lot better now that I know I wasn't the only failure in the class of '62-'63.

COACHES' MESSAGE

More than any Tiger team I've coached, our '62 Tigers were the most improved from the season opener to our final game. I feel we reached our peak in the last two games of the season.

I only wish we had a couple of games remaining - particularly Vernon.
